

# THEATER ART CINESCAPE™

Motorized Art System for Video Projection Screens

ARTSCREEN CINESCAPE™ transforms a video projection screen into an elegant work of art. Adaptable for any room and engineered for ease of installation. Inside a custom hardwood frame, Giclée canvas artwork of your choice ascends or descends with the touch of a button. When your artwork is retracted, the video display is visible for viewing.

## FEATURES

- Designed for front projection screens
- Installer friendly
- Large selection of Giclée fine art prints, frames, and liners ([www.vutec.com](http://www.vutec.com))
- Client's custom art or photographs can be duplicated with authorized release
- Drawings are provided for all units (requires sign off)
- All orders must be submitted using Vutec's CineScope order form
- IR control system included
- IR can be substituted for a Low Voltage control kit or 12V DC Auto Relay
- All units ship assembled in a wooden crate
- 5 year warranty
